A PERSONAL INVITATION

Letter from the Founder

Dear Community Partner,

Every meaningful movement grows because people and organizations decide to invest in something larger than themselves. Love Me First Ministries exists to help women see themselves through God's eyes, learn to love themselves in a healthy way, and courageously give birth to the purpose, gifts, dreams, businesses, ministries, and legacies God has placed within them.

From October 9-11, 2026, women will gather in Champaign, Illinois, for the Love Me First Women's Summit - a transformational weekend centered on healing, identity, authentic sisterhood, leadership, and purpose. This is more than an event. It is a carefully created environment where women can breathe again, reconnect with hope, and leave equipped to build stronger lives, families, businesses, ministries, and communities.

We invite your organization to partner with us as a 2026 Summit Sponsor. Your investment will help us provide an excellent, welcoming, and accessible experience while supporting the practical resources, scholarships, meals, materials, and program elements that make lasting impact possible.

A partnership with Love Me First Ministries also provides your organization with meaningful visibility before, during, and after the summit. More importantly, it demonstrates your commitment to women, families, leadership development, entrepreneurship, and stronger communities.

Thank you for considering this opportunity. We would be honored to build a partnership that aligns with your organization's goals and creates a lasting legacy for the women we serve.

With gratitude,

LaShawn Allen-Talbert

SUMMIT AT A GLANCE

2026 Love Me First Women's Summit

A weekend of healing, community, purpose, and transformation

Dates	October 9-11, 2026
Location	Champaign, Illinois
Host Venue	I Hotel & Illinois Conference Center
Registration	www.lovme1st.com
Audience	Women seeking healing, growth, authentic community, leadership, and purpose

When a woman begins to see herself through God's eyes, she finds the courage to love herself, the freedom to heal, and the confidence to birth what God placed within her.

WHO WE ARE

About Love Me First Ministries

Love Me First Ministries is a Christ-centered sisterhood created to reach all women - including women who are deeply rooted in faith, women returning after a difficult season, women exploring their faith, and women simply searching for hope, healing, community, and purpose.

Our foundation is faith, but our welcome is wide. We meet women where they are and create spaces where they feel seen, safe, valued, and encouraged to become who God created them to be.

Our Divine Assignment: We exist to help women see themselves through God's eyes, love themselves in a healthy way, and give birth to everything God has placed inside of them.

Our Vision: We envision a world where every woman puts God first, loves herself fully, and walks in sisterhood community - healed from her past, empowered for her purpose, and positioned to create generational blessings that impact families, communities, and the world for the glory of God.

Our Declaration: Fear no longer controls me. Shame no longer defines me. God writes my story.

WHY PARTNERSHIP MATTERS

Investing in Women Creates Multiplying Impact

A woman's transformation rarely stops with her. When a woman grows in confidence, emotional wellness, spiritual grounding, leadership, and purpose, the impact reaches her children, relationships, workplace, church, business, and community.

Women

Sponsors help women access encouragement, practical tools, and a community that supports healing and growth.

Families

Whole and empowered women strengthen homes, model healthy identity, and help break harmful generational cycles.

Communities

Women who recognize their gifts become volunteers, leaders, mentors, entrepreneurs, and community builders.

Future Generations

Every scholarship, resource, and life-changing encounter can produce an impact that continues for years.

We do not simply gather women. We help women become - and becoming women change generations.
